

Our goal is to be the community meeting place for many years to come. If you are alone and want to eat with friends, come join us. If your family or small group would like to meet, let us know and we will pull some tables together for you. If you have a large group for a special occasion, give us a call and we will set up the dining room for you.

We appreciate being able to serve you at The Lodge Cafe! We hope you are reminded of your mother's kitchen and that you feel right at home at our family's table.
